CONGRATUATIONS AND BLESSINGS

Eva Heitzkey received her First Holy Communion at the Traditional Latin Mass this past Sunday.

"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?"

James 2:5

What is more important—being rich in faith or rich in possessions? Society teaches us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first in all things and realize that material things really don't matter and that it's more important to share with those who have less.
