## ST. MARY PINE BLUFF CEMETERY

If you have items on your family plots, please remove them as soon as possible. Decorations are meant to honor the dead and when tastefully done can make the entire cemetery look beautiful. All winter decorations should have been removed by March 30th and summer decorations should be removed by October 15th. Decorations should be placed as close to the cement base as possible and out of the way for mowing and grass trimming. Burial sites are not purchased but an easement is issued for a "right of burial".

"With the help of an abortion healing ministry, couples can successfully work through abortion-related challenges. God's grace can bring true healing to the relationships of those who trust in His infinite mercy."

## PRAY FOR OUR MILITARY

*"Has none but this foreigner returned to give thanks to God?"*

*Luke 17:18*

Most of us live "easy" lives. We have goods, shelter and clothing. We go on vacation every year and own a car or two. Most of us take this all for granted. Did you ever notice that people with the least amount of possessions are usually the most grateful? Shouldn't this be the other way around? Take time every day and thank God for all He has given you.
