“After John had been arrested, Jesus came to Galilee proclaiming the gospel of God.....”

Do you ever think about how difficult it must have been for Jesus to come into Galilee, knowing that John had just been arrested for teaching the same message that Jesus was proclaiming. It must have taken great love and trust for Jesus to do what the Father had sent him here on earth to do. In the same way, following a life of stewardship takes great love and trust from us. We must be willing to surrender completely to God, trusting that God will always give us all that we need to fulfill His plan for us.

“Abortion affects countless marriages more than many people recognize. But there is no doubt that God will bring great healing to those who trust in his infinite mercy. If past abortion can be acknowledged and addressed, a married couple can make great strides in experiencing even more fully God's design ‘that the two shall become one’ (Mt 19:5).”
