*"For if we live, we live for the Lord, and if we die, we die for the Lord; so then, whether we live or die, we are the Lord's"*

*Romans 14:8*

This is the essence of stewardship—everything we have and everything we are is a gift from God. We aren't "owners" of anything, we are merely "stewards" of the gifts that God has given us, especially our very own lives. Pray to God, daily, and ask Him how He wants you to use the gifts He has given you..

"The Church's teaching on marital sexuality is an invitation ..... To receive the gift of God's love and care, and to let this gift inform and transform us so we may share that love with each other and with the world."

TEC Retreat #170 Coming to St. Ann's in Stoughton, October 27-29: TEC (Together Encountering Christ) is an intergenerational movement of the Catholic Church especially designed to help us grow in our spiritual life. Since Kairos TEC started in the Madison Diocese in 1985, we have had 3000 participants with an even split of adults and teens. TEC is an amazing experience for anyone over 15 years of age, especially for those youth who are preparing for or have recently been Confirmed. This is also an invitation for those who have already experienced a TEC to come and help by working on team. Fr. Randy Budnar will be the Spiritual Director. Applications and more information about TEC can be found at [www.kairostec.org](http://www.kairostec.org), and may be available at your parish church bulletin board area. This is an experience that you will never forget.
