*“The stone the builders rejected has become the corner stone....”*

*Matthew 21:42*

Jesus was the corner stone and He was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be “rejected” by others in today’s society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is a sign that God is alive and well.

## HOSPITALIZATION

**ST. MARY PINE BLUFF CEMETERY**

If you have items on your family plots, please remove them as soon as possible. Decorations are meant to honor the dead and when tastefully done can make the entire cemetery look beautiful. All summer decorations should be removed by mid or end of October. Decorations should be placed as close to the cement base as possible and out of the way for mowing and grass trimming. Burial sites are not purchased but an easement is issued for a "right of burial".
