“Building a culture of life isn’t something we just do one month of the year, or with one event or initiative — it’s essential to who we are. It happens through our daily actions, how we treat one another, and how we live our lives.”

“Well done, my good and faithful servant. Since you have been faithful in small matters, I will give you great responsibilities.”

Matthew 25:21

God expects us to nurture and develop the gifts He has given us and then generously return a portion with increase. He doesn’t want us to waste or hoard the gifts He has given us; He expects us to grow our gifts, use them wisely and be generous with them. Unfortunately, many of us are not generous in proportion to all that God has given us.
