".....whatever you did for one of the least of my brothers, you did for me"

Matthew 25:40

Most of us are generous when it's convenient for us. We are generous when we have the time or the money. But, generosity is the opposite of that. It means giving of one's time, money, compassion, forgiveness or mercy when it's not convenient; when it's not on our schedule, but on the other person's schedule.
