“When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others.”

### OUR LADY OF HOPE CLINIC

With the support of St. Mary's Parish, Our Lady of Hope Clinic will again partner with helping Hands Medical Missions to lead a medical mission trip to El Salvador. Each spring a team of missionaries travels to St. Anthony of Padua Parish in Ateos, El Salvador for a ten-day mission trip. On Sunday, January 20th, some of the missionaries will be available after Masses to answer questions, show photos and provide information about the upcoming March mission trip. Please consider supporting this important work with a donation. (Checks can be made out to HHMM Madison Mission.) For questions about the mission trip, please contact Mike Kloess. Thank you for your generous support.

*“John answered them all, ‘I baptize you with water; but he who is mightier than I is coming....he will baptize you with the Holy Spirit....’”*

Luke 3:16

The Catholic Catechism states that “Jesus’ immersion in the water is a sign for all human beings of the need to die to themselves to do God’s will.” In other words, as baptized Catholics there is only one gift that we need to give to Jesus — the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.
