GOOD NEWS

As many of you know we are planning on replacing the Narthex doors this year. We recently received the good news that our parish was been awarded a \$5,700 grant to fund the cost of a handicapped door operator that will be installed with the new doors. The grant was made by the Apostolate for Persons with Disabilities—Diocese of Madison. We are all very grateful to the Apostolate for their support in this important work.

THANK YOU

Dear St. Mary's

Thank you so much for the Homeschool Scholarship! We are going to use it for our trip at the end of March. WE have been studying the Declaration of Independence and the Constitution, so we are going to Philadelphia to see Independence Hall and the Liberty Bell! Thank you so much for your support!

You can help ensure a peaceful transition for your loved one by facilitating opportunities for reconciliation with others and for mutual expressions of love and gratitude.”

How will you respond when God asks you what you have done with all the gifts He has given you? Remember, not only are we called to be generous, we are called to develop and nurture our gifts and return with
