CONGRATULATIONS

Nicholas Wilkinson and Elena Gjikhima were recently married at St. Mary's.

“In a striking way, we see today a heightening of the tension between our nation’s founding principles and political reality. We see this in diminishing respect for the inalienable right to life and in the elimination of legal protections for those who are most vulnerable. There can be no genuine justice in our society until the truths on which our nation was founded are more perfectly realized in our culture and law.”

RESPECT LIFE

“My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established.....

Luke 16:25-26

When God created the world He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today’s Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little or we may find ourselves on the wrong side of the chasm in the next life.
