PRAY FOR THOSE IN THE ARMED FORCES AT HOME AND ABROAD

"Rather we wanted to present ourselves as a model for you, so that you might imitate us."

2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their actions and words, others do take notice. They notice because of the joy and peace that results and other people desire this in their own life. Know that the way you live your life may be the only interaction others have with our Catholic faith.

"There can be no true democracy without a recognition of every person's dignity and without respect for his or her rights. Nor can there be true peace unless life is defended and promoted."

Pope Saint John Paul II, *Evangelium vitae*, 90. 1995 Libreria Editrice Vaticana. Used with permission.
