PLEASE SUPPORT OUR ADVERTISERS

“When I meet another parent of a child with Down Syndrome, there is usually a moment of instant recognition and understanding. Our eyes meet, and we smile conspiratorially, as if we’re in on the same secret: the fundamental truth that every life is a good and perfect gift.....Our love for our children has nothing to do with their abilities. We love them simply because of *who* they are, and understanding this teaches us how to truly love everyone.”

PRAY FOR OUR PRIESTS AND RELIGIOUS

“Therefore, stay awake! For you do not know on which day your Lord will come.”

Matthew 24:42

People who have had health issues of near-death experiences generally have a greater appreciation for each day being a gift from God. The rest of us usually take for granted that we will be around tomorrow. But when you start to look at each day as a gift, you realize all the little miracles that happen daily and grow in gratitude for all that we have been given. You begin to see God’s active presence in your life.
