**“When parents say ‘yes’ to life for their child, they are saying ‘yes’ to the most loving and healing path for all involved. When God invites us to draw close to him by following his commandments (Jn 14:15), he does so because he wants what is best for us. By saying ‘yes’ to life for their child, which is morally good and right, parents are placing their trust in God and embracing their child and the life their child has been given for as long as it is given.”**

**How seriously do you take being a Catholic? Is “being Catholic” something I just do when I attend Sunday Mass or attend one of my parish functions? It’s easy to be Catholic then, it’s harder to be Catholic when I am out in the world. Would someone recognize you as Catholic by the way you act, dress and talk? How do you present yourself to the Lord and to others?**
