"The stone which the builders rejected has become the cornerstone."

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom on earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern their charisms and who God is calling them to use them. Remember—no gift is too small or insignificant in God's salvation plan.
