“Married love differs from any other love in the world. By it’s nature, the love of husband and wife is so complete, so ordered to a lifetime of communion with God and each other, that it is open to creating a new human being they will love and care for together....That power to create a new life with God is at the heart of what spouses share with each other.”

United States Conference of Catholic Bishops
“Married Love and the Gift of Life”

“The kingdom of heaven may be likened to a man who sowed good seed in his field....He who sows good seed is the Son of Man, the field is the world, the good seed the children of the kingdom.”

Matthew 13:24, 37-38

As children of God, we are all “good seeds.” We are blessed by God with the potential to accomplish much good in the world. We fulfill God’s plan when we spend time in prayer every day, use our skills to help others, and share our financial gifts to help build God’s kingdom on earth. Through our example of gratitude and generosity we sow “good seeds” on earth and ultimately help each other get to Heaven!
