“.....as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality.”

2 Corinthians 8:14

One of the tenants of living a grateful and generous lifestyle is giving without expecting anything in return. It is important that we not only grow, nurture and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the “Body of Christ . We are called to be dependent on each other and not live in isolation.
